1 2. Defendants' Motion for Summary Judgment is pending (ECF No. 23). Pursuant
2 to the Court's Order, Defendant filed it on December 3, 2019, and noted it for 4 Fridays
3 thereafter, or December 27, 2019 per LCR 7.

4 3. The parties have agreed to meaningfully participate in alternative dispute
5 resolution with a mutually agreed upon private mediator, but due to the winter holidays and
6 other commitments this month, as well as the mediator's availability, the parties are not able to
7 conduct a mediation in this matter before January 2, 2020. The parties have, however, agreed
8 to a mediator, a location, and a date of January 10, 2020 pending the mediator's confirmation.

9 4. To allow the parties to meaningful explore alternative dispute resolution, the
10 parties also request that the noting date for the pending motion for summary judgment be
11 continued (and the related opposition and reply deadlines), be continued to January 24, 2020.
12

13 The parties, for good cause shown, respectfully request that the Court grant this
14 stipulated motion and continue the following case schedule deadlines as follows:
15

16 The parties agree that all case scheduling order deadlines that have already passed
17 remain unchanged and do not need to be rescheduled. The parties do not request a continuance
18 of the trial date at this time. It is so stipulated through undersigned counsel of record.

19 Respectfully submitted this 13th day of December 2019.
